

BC WIRE ROPE

Quality, No Compromise Since 1974

BC Wire Rope & Rigging is a full-service Rigging Loft incorporated in 1974. Our 'Quality, No compromise' philosophy has enabled us to grow throughout the many industries we serve. With corporate headquarters in Anaheim, CA, and branch locations in San Diego, CA, Tucson, AZ, Las Vegas, NV, and Elko, NV, BC Wire Rope & Rigging is committed to keeping our customers' jobs running smoothly. We do this by having in-house manufacturing, sufficient inventory, and a knowledgeable staff.

BC Wire Rope & Rigging is proud to offer the very best products in the industry. An authorized Distributor of Crosby, Bridon, and SlingMax products, we maintain a full inventory of products. We also provide products from other manufacturers depending on our customers' needs.

Wire Rope Two Leg Bridle

Two leg bridles are constructed from two separate wire rope assemblies that attach to an oblong ring. The wire rope assemblies are fabricated from Extra Improved Plow (EIP) steel. The lifting end of the wire rope legs can be fitted with a wide variety of rings, eyes, or hooks to allow the attachment of nearly any object. These two leg bridles can be custom fabricated depending on your particular application and needs.

Rope Diameter	Length	Rated Capacity in tons (2000 lbs)				Hardware
