Quality, No Compromise Since 1974

BC Wire Rope & Rigging is a full-service Rigging Loft incorporated in 1974. Our 'Quality, No compromise' philosophy has enabled us to grow throughout the many industries we serve. With corporate headquarters in Anaheim, CA, and branch locations in San Diego, CA, Tucson, AZ, Las Vegas, NV, and Elko, NV, BC Wire Rope & Rigging is committed to keeping our customers' jobs running smoothly. We do this by having in-house manufacturing, sufficient inventory, and a knowledgeable staff.

BC Wire Rope & Rigging is proud to offer the very best products in the industry. An authorized Distributor of Crosby, Bridon, and SlingMax products, we maintain a full inventory of products. We also provide products from other manufacturers depending on our customers' needs.

Bridon Constructex Wire Rope

Bridon Constructex is recommended as a drill line, tubing line and boom hoist rope where longer service life is desired. Superior abrasion and crushing resistance makes Constructex the ideal rope for these applications. Constructex can be recommended with confidence wherever abusive conditions exist, particularly where the rope is retired because of broken wires resulting from wear and rushing on the drum.

- Bridon Constructex is nine strand rope made up of three different strand constructions. Each outside strand manufactured with a soft plastic center.
- High strength - confirmed by Bridon's "Powercheck" testing of a sample.
- Excellent resistance to crushing and wear resulting from the overall compactness and robustness of the rope.
- Flexible construction with good fatigue life in most applications.
