

BC WIRE ROPE

Quality, No Compromise Since 1974

BC Wire Rope & Rigging is a full-service Rigging Loft incorporated in 1974. Our 'Quality, No compromise' philosophy has enabled us to grow throughout the many industries we serve. With corporate headquarters in Anaheim, CA, and branch locations in San Diego, CA, Tucson, AZ, Las Vegas, NV, and Elko, NV, BC Wire Rope & Rigging is committed to keeping our customers' jobs running smoothly. We do this by having in-house manufacturing, sufficient inventory, and a knowledgeable staff.

BC Wire Rope & Rigging is proud to offer the very best products in the industry. An authorized Distributor of Crosby, Bridon, and SlingMax products, we maintain a full inventory of products. We also provide products from other manufacturers depending on our customers' needs.

Continental Western BLUE STEEL Truck Rope

The CWC registered trademark BLUE STEEL ropes are made from one of the strongest co-polymer fibers in the market today. BLUE STEEL truck rope features balanced three-stage construction with low elongation, more strength than polypropylene and twice the wear life. It also offers superior resistance to abrasions, UV rays and most common chemicals while conforming to California Highway Patrol requirements.

- Superior strength and easy handling
- Conforms to CHP requirements
- Economic high-performance utility rope
- Excellent UV and abrasion resistance

Item No.	Diameter	Length	Minimum Tensile	Approx. Wt.
